Mr. Speaker Sir, it my pleasant duty and privilege, on behalf of the Sectoral Committee on Roads, Transport and Public Works and pursuant to the provisions of County Assembly Standing Order No. 193(5)(g) to present this report for adoption by this honourable House

SIGNED:.....DATE.....30TH NOVEMBER 2023.....

HON. FEISAL ABDINOOR ISSAK, MCA

CHAIRPERSON: COMMITTEE ON ROADS, TRANSPORT AND PUBLIC WORKS

2.0 INTRODUCTION AND BACKGROUND

2.1 Background

The Department of Roads & Transport and Public works annual activities report for FY 2022/2023 was submitted to the County Assembly on 11th July 2023 and was committed to committee of Roads, Transport and Public works on 10th August 2023 for interrogation, input and recommendation through a report to this honorable house.

2.2 Legal Framework

Article 183 (3) of the Constitution stipulate that; *The County Executive Committee member shall provide the County Assembly with full and regular reports on matters relating to the County*

Guiding principles in the examination of the County Government submission of quarterly report and financial statements

In the execution of its mandate, the Committee is guided by core constitutional and statutory principles on Public Finance Management, as well as established customs, traditions, practices and usages. These principles include the following

2.2.1 Constitutional Principles on Public Finance

Article 201 of the Constitution of Kenya, 2010 enacts fundamental principles that "...shall guide all aspects of public finance in the Republic ..." These principles include, *inter alia*, that: 201(a) *there shall be openness and accountability, including public participation in financial matters*, 201 (d) *Public money shall be used in a prudent and responsible way, and* 201(e) *financial management shall be responsible, and fiscal reporting shall be clear.*

2.2.2 Direct Personal Liability

Article 226(5) of the Constitution of Kenya, 2010 is emphatic that *"If the holder of a public office, including a political office, directs or approves the use of public funds contrary to law or instructions, the person is liable for any loss arising from that use and shall make good the loss, whether the person remains the holder of the office or not"*.

2.2.3 Obligations of Accounting Officers

The Public Finance Management Act, 2012 section 149 (1) and (2 a, f and q) states as follows;

Section 149 (1) an accounting officer is accountable to the County Assembly for ensuring that resources of the entity for which the officer is designated are used in a way that is;

- Lawful and authorized*
- Effective, efficient, economical and transparent*

Section 149 (2) in carrying out a responsibility imposed by subsection (1), an accounting officer shall, in respect of the entity concerned,

Section 149 (2)(a) ensure that all expenditure made by the entity complies with subsection 1
Section 149 (2) (f) bring a matter to the attention of the Executive Committee member responsible for the entity if, in the accounting officer's opinion a decision or policy or proposed decision or policy of the entity may result in resources being used in a way that is contrary to subsection (1)

Section 149 (2)(q) provide information on any fraud, losses, or any violations of subsection (1) and provide explanations for the actions taken to prevent similar conduct in future

The Public Finance Management Act, 2012 section 166 states as follows;

- 1. An accounting officer for a county government entity shall prepare a report for each quarter of the financial year in respect of the entity.*
- 2. In preparing a quarterly report for a county government entity, the accounting officer shall ensure that the report-*
 - (a) contains information on the financial and non-financial performance of the entity; and*
 - (b) is in a form determined by the Accounting Standards Board.*
- 3. Not later, then fifteen days after the end of each quarter, the accounting officer shall submit the quarterly report to the County Treasury.*
- 4. Not later than one month after the end of each quarter, the County Treasury shall-*
 - (a) consolidate the quarterly reports and submit them to the county assembly;*
 - (b) deliver copies to the Controller of Budget, National Treasury and the Commission on Revenue Allocation; and*
 - (c) publish and publicize them*

6.0 COMMITTEE'S GENERAL FINDING AND OBSERVATIONS

The Committee made the following observations and finding

1. There were several staffs in the Department that were not promoted for over long period of time especially the drivers and supportive staff
2. The Departments are in charge of total of 227 staff, of which 25 staff are handled by Department of Roads, 35 staff by the Department of Public works, 129 staff are managed by the Department of Transport including the drivers, 12 are administrative staff while 26 are supportive staff
3. The Department has employed fewer Engineers and majority of them were stationed at Department's headquarters' offices
4. The Department of Transport are in charge of 127 County motor vehicles of which 99 vehicles were directly purchased by the County, 10 were inherited from defunct County Council and 18 were received from donor Countries/Organizations for specific project implementation
5. Out of the total 127 motor vehicles owned by the County, 95 are serviceable while 32 are Unserviceable.
6. Hareri Culvert projects are practically 90% complete however, the contractor has abandoned the site with no on-going completion work
7. Livestock Market Culvert is 95% complete with gabions built on the sides of the stream and are already in public use
8. Malka Punda road is currently under construction, untarmacked and has poor drainage system
9. Several culverts built along the Malka Punda roads were fully blocked and silted
10. There is no County policy to regulate drainage system, Culverts and road encroachment
11. There were a lot of cases of road encroachment due to lack of proper demarcation
12. There was poor communication strategy between the Contractors and the Department of Roads and consequently, the contractors were on site without the supervision of the County road inspectors
13. Very little is known by the community in which the Roads and Culvert are situated on what is expected on the work done because the BQs are not provided and bill boards that shows project specification not erected

14. The communities residing around the projects have severally complained about uncontrolled floods caused by excavated ditches and blocked road drainage system
15. The Departments has accumulated a huge outstanding pending bills amounting to Ksh. 324,573,203.41, out of this the Department of Roads and Transport is owed Ksh 279,965,805.90 while that of Public Works is owed Ksh. 44,607,379.51
16. The Committee noted that the Department has submitted total budget Development expenditures of Ksh. 675,111,146 which varies from Development expenditures Ksh 739,311,146 approved by the County Assembly in the Second Supplementary Budget FY 2022/2023 budget and this shows a discrepancy of Ksh. 64,200,000
17. The Department has submitted recurrent expenditures totaling Ksh. 177,185,635 which varies from the recurrent amount approved by the County Assembly in the Second Supplementary budget FY 2022/2023 which was Ksh 182,185,635 and this depicts a discrepancy amount of Ksh 5,000,000
18. The Department has utilized low amount of Development expenditures of Ksh 569,255,907 out of the total amount budgeted of Ksh 739,311,146 in the FY 2022/2023 which is equivalent to 77% annual budget absorption rate
19. During the FY 2022/2023, the Department has utilized a large amount of recurrent expenditures of Ksh 163,310,395 out of the total amount budgeted of Ksh 182,185,635 as recurrent in the FY 2022/2023 which translate to 90% budget absorption rate

7.0 COMMITTEE'S GENERAL RECOMMENDATIONS

The committee recommend the following issues;

1. **THAT;** The Department should fast-track and recommend promotion of several staffs who have stagnated at lower job cadres
2. **THAT;** the Department should put in place policy plan to diversify and deploy more staff and Engineers across all the sub-counties
3. **THAT;** the Department should prioritize to employ more experienced Engineers to close the skills gap needed in the County
4. **THAT;** the Department should develop policy regulations enabling them to manage efficiently serviceable and unserviceable motor vehicles of the County

5. **THAT;** the Department should employ a good communication strategy and accountability to supervise contractors who have abandoned on-going projects work as well as those who proceed work without the supervision of County roads inspectors
6. **THAT;** the Department should affirm and give notice that no contractor is paid any amount for doing shoddy work or abandoning on-going projects
7. **THAT;** the contractors should build standard gabions on the streams where Culvert construction are on-ongoing to control soil erosion and land sliding
8. **THAT;** the Department should open and maintain all blocked roads drainage system and Culvert boxes
9. **THAT;** the Department should craft a better policy to regulate blocked drainage system, Culverts, road encroachment and compensation to landowners
10. **THAT;** In the subsequent Budget, propose budgetary allocation towards periodic maintenance of County roads (i.e. Bush Clearing, Culvert opening, spot patching, and correcting drainage)
11. **THAT;** details of the programs specified in the Bill of Quantities for each road work should be shared widely to all stakeholders especially the community to whom the implementation of the projects is meant to benefit
12. **THAT;** the Department should ensure that no work is carried out by any contractor without erection of Bill Boards
13. **THAT;** the Department should expedite to introduce to the County Assembly, the following legislative bills;
 - Mandera County Traffic and Transport Bill (which was referred back to the Department for review)
 - Mandera County Roads and Infrastructure Bill
 - Policy regulations to implement Mandera County Public Works Act, 2014
14. **THAT;** the Department should expedite to clear huge outstanding pending bills amounting Ksh. 324,573,203.41 owed to Contractors and Suppliers
15. **THAT;** the Department should account by informing the committee in writing as to why the Department Recurrent and Development expenditures have discrepancies from the budget approved by the County Assembly in the FY 2022/2023

16. **THAT;** the Department to hasten on formulation of policies and other legal frameworks in order to increase the absorption rate for both the recurrent and development votes
17. **THAT;** in subsequent budget the Department should urgently put in place a proper plan to construct a well-designed airport for Mandera resident since there is constant outcry and need to relocate from current military owned airstrip
18. **THAT;** the Department should carry out profound assessment on all County roads affected by *El-Nino* rain floods which needs maintenance and bring comprehensive assessment report to the County Assembly before the end of the month of January 2024

The Department should strictly follow to implement all committee's resolutions as contained in this report and to report back progress made in two-month time from the date of adoption of this report
